De Moovly Editor: eenvoudig en intuïtief

The screenshot displays the Moovly video editor interface. At the top, the title 'Safety instructions' is visible. The left sidebar contains a 'Library' section with a search bar and a grid of icons under 'Graphics > Infographics'. A pink callout box with the text '1. Drag en drop media objecten' has a pink arrow pointing from the library to the video preview area. The preview area shows a video of two construction workers with a text overlay 'Security instructions'. The right sidebar contains panels for 'Stage Properties', 'Template Properties', and 'Text Properties'. The 'Text Properties' panel is active, showing settings for 'Font Family' (Roboto), 'Font Size' (38,47), 'Text Style' (Bold and Italic), 'Text Color' (with a color picker showing red), 'Background Color', 'Alignment', 'Fixed Box Size', 'Object Properties', and 'Opacity'. A pink callout box with the text '2. Animeer en synchroniseer' has a pink double-headed arrow pointing to the timeline. The timeline at the bottom shows a duration of 00:03 / 00:10 and includes tracks for 'Clip 1' (containing 'Security instructions'), 'Personnel on site', and 'Audio'. A pink double-headed arrow is also present on the timeline.

AllImageVideo

A grid of 24 stock media thumbnails arranged in 4 rows and 6 columns. The thumbnails depict various business-related scenes: teams meeting, celebrating, working at computers, and interacting in office environments.

The video player shows a high-angle shot of a diverse group of business professionals standing in a circle, putting their hands together in a celebratory gesture. A progress bar indicates the video has reached its end at 00:03.

Name

Description

Co-workers putting their hands together in an office

High-angle shot of smartly dressed business colleagues putting their hands together in a spacious office. They are cheering and having fun. Horizontal daylight indoor video.
