A person is working at a desk with a laptop and a monitor. The person's hand is on the laptop keyboard. There are various items on the desk, including a glass of water, a pen, and some papers. A large teal and light green circular graphic is overlaid on the left side of the image.

the Drillster app

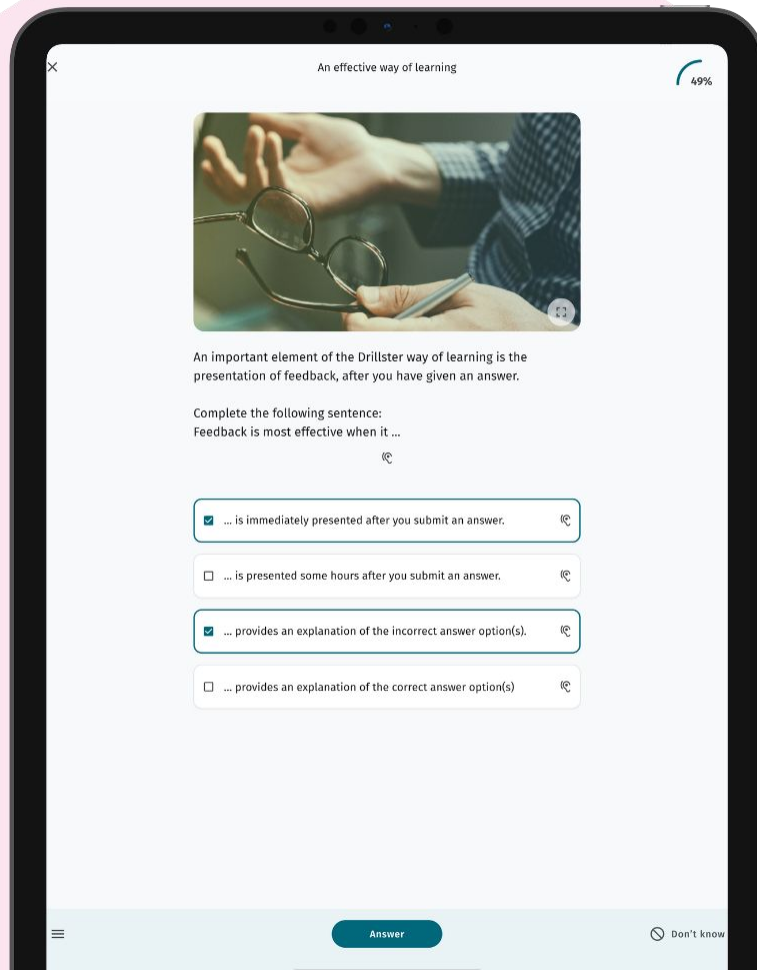

microlearning

- Behapbare brokken
- Alleen essentiële kennis en vaardigheden / need-to-know

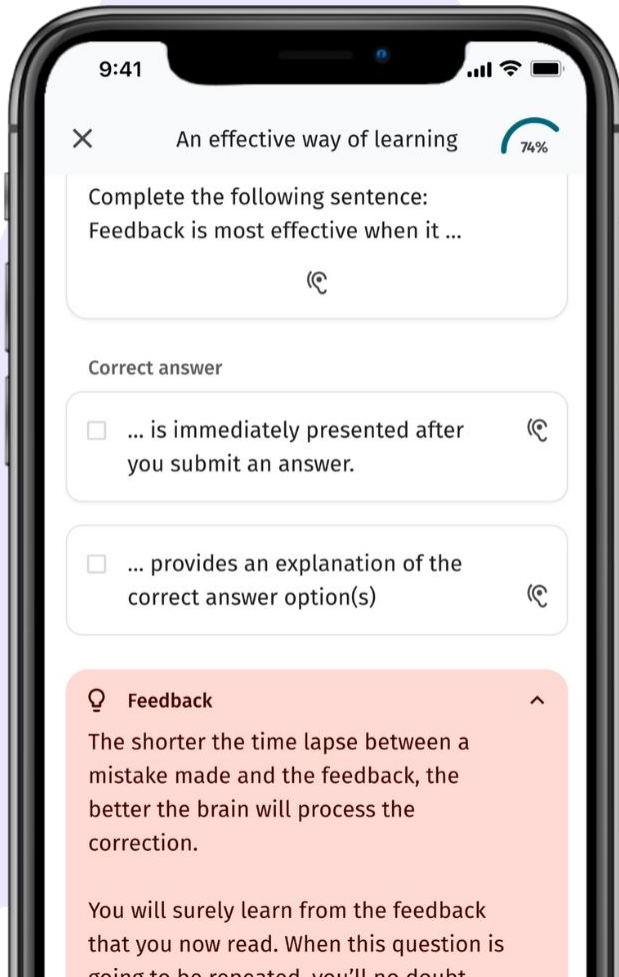

vraag gestuurd leren

- Actieve herhaling versterkt het leren
- Hiaten in kennis of vaardigheden worden zichtbaar

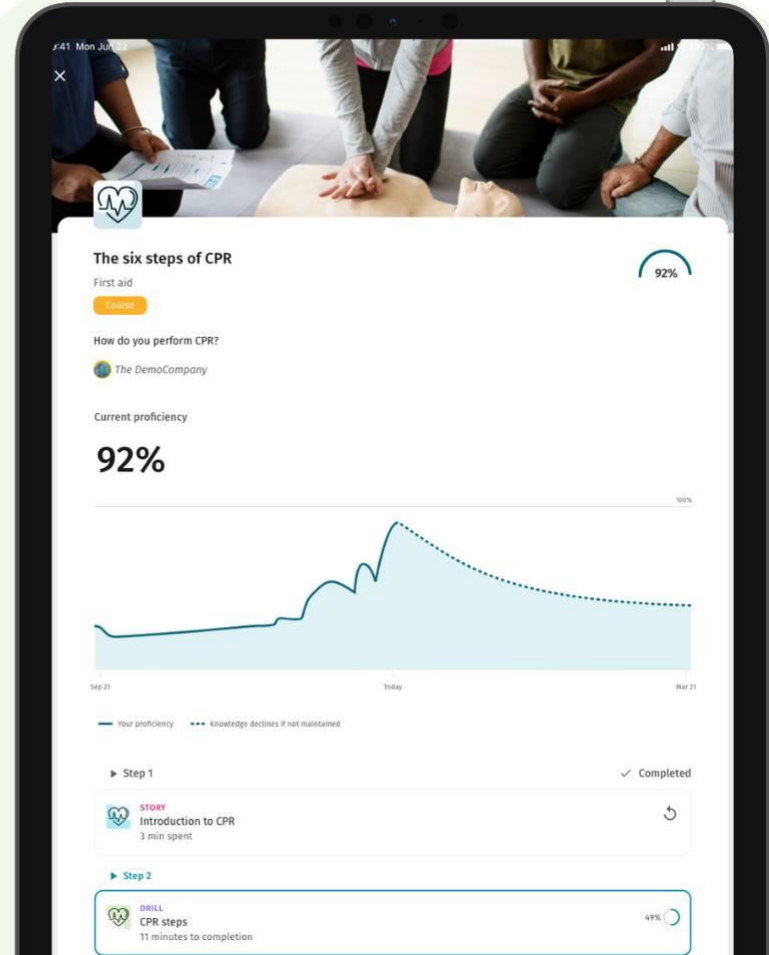

onmiddellijke feedback

- Correctieve informatie geven als het brein er het meest voor open staat
- Lost kennishiaten direct op

adaptief leren

- Volgorde en frequentie wordt aangepast aan de individuele deelnemer
- Focust automatisch op elementen die nog niet beheerst worden
- Iedereen kan volledig 100% beheersing bereiken

de vergeetcurve

- Berekening van de individuele vergeetcurve
- Spaced repetition
- Notificaties: net op tijd competenties verankeren

Time to learn

Hi Sandra Simons,

Your current proficiency of the following drills is below the set challenge of at least 80%:

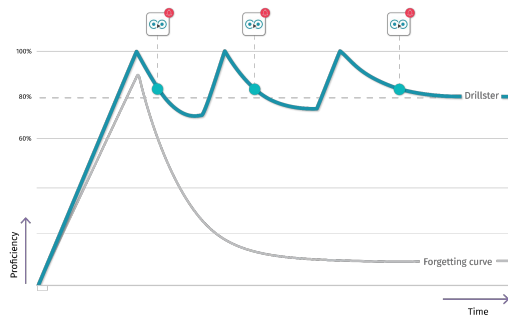

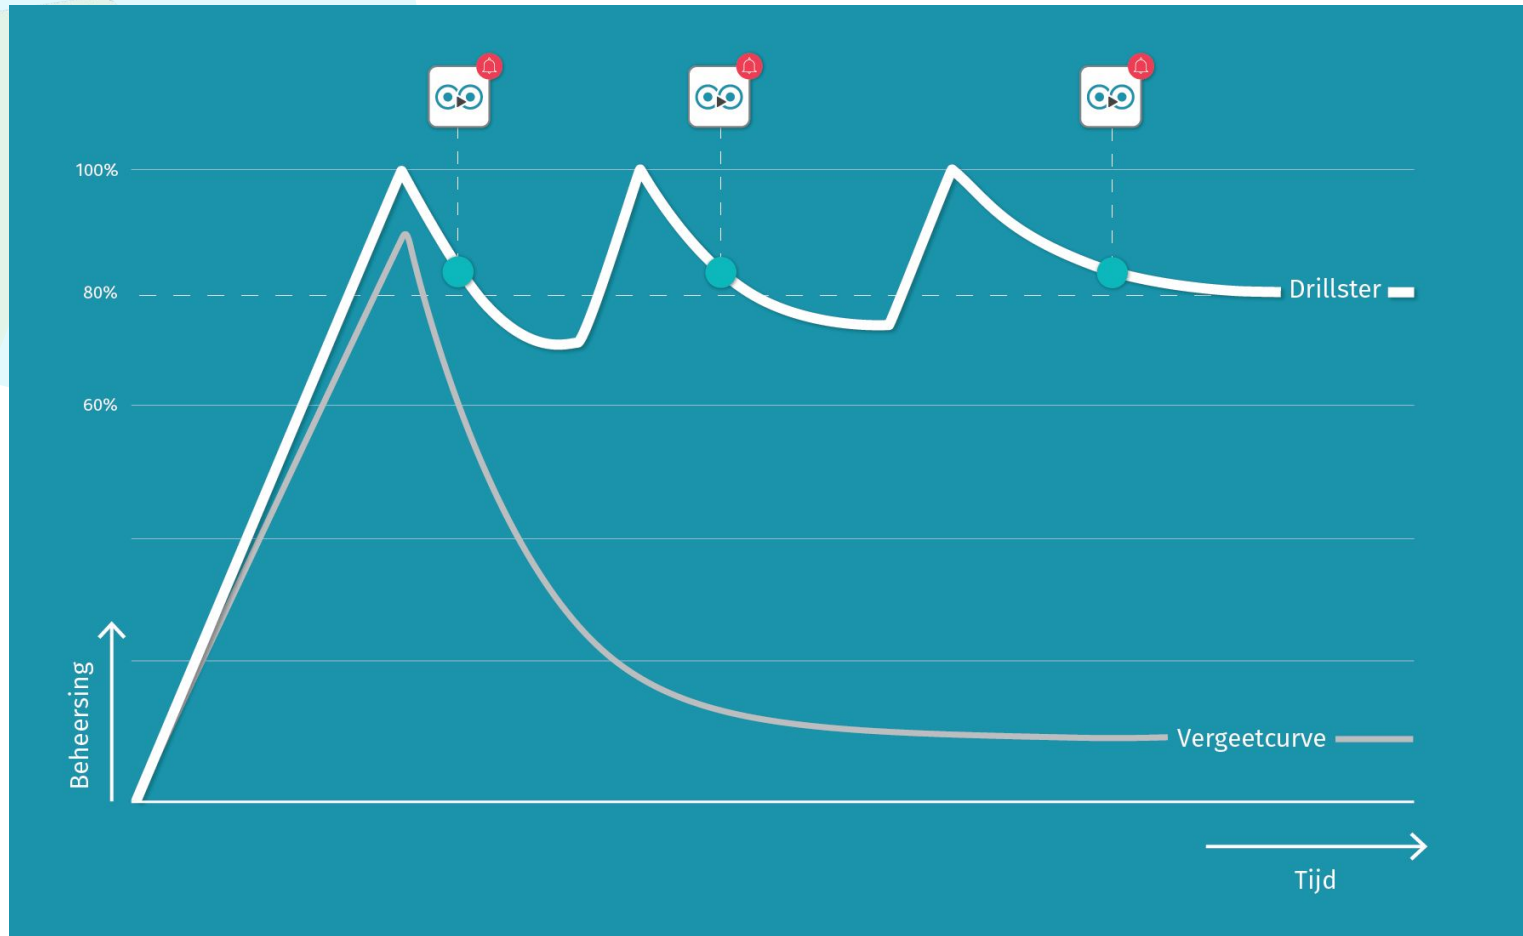

Drill

An effective way of learning

Question
✦✦ Crafter

Hallo, ik kan je helpen boeiende
drills te maken die het succes
van studenten of werknemers
vergroten

Starten

A person is shown from the side, sitting at a desk and working on a laptop. Their hands are on the keyboard. The desk is light-colored wood. In the background, a yellow bicycle is visible. A large, semi-transparent light blue circle and a green triangle are overlaid on the left side of the image, partially obscuring the person and the desk. The text "Let's take a look..." is written in a bold, black, sans-serif font across the middle of the image, positioned over the green triangle and the blue circle.

Let's take a look...
